VSB CAREER PROGRAMS INFO NIGHT – WEDNESDAY OCTOBER 28:

Have you been thinking about making Career Programs part of your graduation pathway? On **October 28th**, VSB Career Programs is hosting an Info Night for students and families looking for more information about ideas about the programs and pathways available in the skilled trades, health care, design, early childhood education, and technology sectors.

Why is this event important? These programs are a headstart on a career. Depending on the program, students earn high school credits, post-secondary credits, hours towards certification, and/or a paycheque! The school district funds the tuition for these programs for students whose training or dual credit applications are accepted.

Date: October 28th, 2026
Time: 6:30pm-8:00pm
Doors will open at 6pm
Location: John Oliver Secondary School
530 E 41st Avenue

Who should attend? This event is especially important for students in grades 10 and 11 and their caregivers. Grade 12 students interested in apprenticeship may also find helpful information at this event.

Students planning to attend are asked to RSVP in advance to be entered into the draw for door prizes. Those students who arrive on time will get a second entry into the draw! Students can pre-register by visiting: https://bit.ly/cp_infonight

Career Programs offers programs and pathways in the following career fields:

Aircraft Maintenance	Architectural and Structural CADD
Automotive Collision and Refinishing	Automotive Service
Baking & Pastry Arts	Bricklaying
Carpentry	Commercial Painting
Early Childhood Education	Electrical
Emergency Medical Responder	Hairstyling
Heavy Mechanical Trades	Ironworking
IT Networking	Metal Fabrication
Millwright	Motorcycle Maintenance
Piping Trades	Professional Cook
Trades Sampler	Visual Art
Welding	Youth Apprenticeship

Please note that these programs are available to students who hold Canadian Citizenship or Permanent Resident status. Attendance is a consideration during the application and interview process. VSB Career Programs is not responsible for securing employment for students but, in some cases, supports students by introducing them to employers.

LOOKING FOR VENDORS FOR OUR SECOND ANNUAL MAKER MARKET

John Oliver Secondary School will be hosting our second annual Maker Market on **Saturday December 5, 2026** and we're looking for local vendors to show off and sell their wares.

If interested in learning more about the event, please complete this expression of interest form. John Oliver Maker Market | Expression of Interest
