

VLN Secondary Course Registration and Log-In

There are two different sites for VLN courses depending on whether students registered **before June 30, 2022 (old Brightspace site)** or **after June 30, 2022 (new Brightspace site)**. You will finish up old courses in the **old Brightspace site**. The **old Brightspace site** is now closed for new registrations, and you must go to the **new Brightspace site** to register for a VLN Grade 10-12 course.

To register for courses:

Please go to

<https://vsb.onlinelearningbc.com/d2l/tools/selfregistration/external/index.asp?ou=6879&urLink=>

or go to our VLN website <https://www.vsb.bc.ca/site/vln/Pages/Default.aspx> and click on **SIGN UP**.

You will land here:

The image shows a 'Registration Form' with the instruction 'Select one of the following options:'. There are two radio button options: 'I have an existing username and password' and 'I do not have a username and password'. The second option is selected and highlighted in yellow. At the bottom of the form are 'Back' and 'Submit' buttons.

You will need to create a new account in this **new Brightspace site** even if you previously had a VLN course last year. Please choose the “I do not have a username and password” option. Your old username and password from last year won’t work here in the **new Brightspace site**.

Once you have a username and password in the **new Brightspace site**, you can just click on “Self-Registration” for future registrations.
