

### **Tennis courts to open:**

The Vancouver School District will begin to reopen tennis courts on school property for public use. Tennis courts at the following school sites will reopen this weekend:

- Prince of Wales Secondary School
- Vancouver Technical Secondary School
- Hamber Secondary School
- Windermere Secondary School
- King George Secondary School

Throughout the coming week, District staff will reopen tennis courts at all other school sites. This decision aligns with that of the Vancouver Park Board, which is also reopening tennis courts on its properties for public use.

Signs will be posted with guidelines for use of the tennis courts. District staff ask that the guidelines be followed by individuals using the courts to ensure safe enjoyment of these facilities for all.
