

December 2021

DELFB2 Intermediate student is able to do the following in both written and oral contexts:

- construct complex sentences
- can be understood in a variety of circumstances (providing directions, telling a story, presenting a position/argument)
- apply affixes correctly
- use negation correctly
- appropriately use expressions, idioms and proverbs
- use the correct register
- use nuanced language
- use appropriate language
- adjust/modify ideas in response to what others are sharing
- use pauses appropriately (oral only)
- minimal pronunciation errors
- present a well developed main idea
- provide various supports related to their main idea
- select the right style depending on the information being communicated (letter, critique, expository, argumentation, speech etc)
- maintain clear organization - clear introduction, development conclusion ( sujet amené, proposé, divisé & thèse, rappel, ouverture)
- minimal grammatical errors that do not impede comprehension of their message

Please use this as a reference to support your preparation. For exact guidelines, please consult <http://www.delfdalf.fr/delf-b2.html>
