

KILLARNEY MUSIC PARENTS' ASSOCIATION (KMA)

The Killarney Music Parents' Association exists to support the Band and Choir programs at Killarney Secondary School by providing financial assistance, organizational help for fund-raising and encouragement for the growth of musicianship of our students.

All parents with a student in a choir or band class belong to the Association. Over the years, the efforts of many dedicated parents have helped the music department to build its great reputation as one of the leading programs in the province. At present we have approximately 600 students in band and choir! While we understand that not all parents are able to be involved on the executive, **we need parents to be involved with the fund raisers and events.**

Some of the events you can get involved in:

- **Promoting our concerts** in the community!
- **Helping out with fundraising:** Entertainment Books, Chocolates, Flower Baskets (counting/sorting, etc.)
- **Attending** our exciting meetings, every 8 weeks
- **Chaperoning** our tours/festivals and field trips

Please email

if you can help out!
