WHAT'S UP WINDERMERE?

Spring sports have started at Windermere and we're so excited to see participation on the various teams.

GRAD COMMITTEE EVENT: GRADS VS STAFF HANDBALL

Amazing turnout on Friday April 22 for the Grads vs. Staff handball tournament. This was one of Windermere's first school-wide events this year. It was a close series of matches, but the staff won the most games in the end. Thanks to everyone who came out to play and/or cheer on players, and thanks to Grad Committee for organizing the event.

WINDERMERE BADMINTON

Windermere remains undefeated in badminton after a win at John Oliver Secondary School. Players displayed great sportsmanship and skill. Go Warriors!!

MAIN UH VENT

Windermere's Main Uh Vent dance club participated in the Level Up competition on April 5. The team placed Platinum, the top level at the tournament.

GIRLS SOCCER

The soccer season has officially begun. On April 19th, our Senior Girls' Soccer team played against King George, and defeated them with a score of 8-0! There were some amazing plays out there. Let's wish them the best of luck to the team throughout the rest of the season.

BOYS VOLLEYBALL IN ACTION

INTERVIEW WITH GRAD COMMITTEE LEAD FACILITATOR: JUANA DOMINGO MORALES

What is Grad Committee? Windermere Grad Committee is a group of Grade 12s who volunteer their time to plan events that bring all grads together to make the final year of high school memorable. The committee has organized theme days, a hoodie order, Grads vs. Staff handball, and are helping to organize prom and the ceremony at the Orpheum Theatre.

"I love seeing our hard work of turning an idea to reality on Grad Committee."

What do you like to do in your free time? "In my free time, I love spending time with my family. I also enjoy watching movies and tv shows with my cats, Oscar and Ralph."

What are some of your plans for after graduation? "After graduation, I'm planning to get to know the "real world." I would like to take any opportunity I may have to learn something new, such as: volunteering, work experience, and taking my studies further by going to post-secondary. I would also like to travel more to deepen my knowledge of life."

What is something on your bucket list?

"To go paragliding or skydiving. When I went to Guatemala a few weeks ago, I saw people paragliding down from the mountains in Panajachel. I would love to see the view of Lake Atitlán and the surrounding mountains from up in the skies."
