1. WELCOME-attendees: *Lani, April, Laura, Aaron, Kathy, Ali, Petra, Lisa W, Rose, Carlene, Sandy.*
2. Review notes from last meeting since we didn't have enough members to make quorum  
-Kathy reviewed last meeting's minutes (March 2020- before COVID)
3. Principal's Message – Lani Morden :
  - Due to COVID, on March 31 school moved to a continuous learning model of education. Lani and 2 secretaries and a daytime and evening engineer.
  - 3 support staff assigned to essential service daycare.
  - most staff have been working since the end of March
  - Maria Donatello has been overseeing the distribution door for lunches (started right after Spring Break)
  - Daily program switched to weekly grocery program + dinner for families twice a week and moved to another facility.
  - distributing technology for families (20 devices sent out + wifi obtained and support given)
  - instruction given via Teams, paper packages, small groups, 1 on 1, meetings with families.
  - attendance has been taken as per Ministry of Education. Only 1 or 2 students have been out of touch per week.
  - online meetings, resource meetings, staff meetings (once/week)
  - fun video sent out last week received lots of positive feedback
  - principals meeting weekly via Teams (once once per day and has decreased to a few times a week).
  - class and staffing organization being looked at for next year
  - cleaning at the school has been ongoing
  - virtual sports day is tomorrow!
  - no information about re-opening the school yet. District will likely release more info tomorrow. Likely younger students to start first as well as more vulnerable students. More info coming.
  - no Grade 7 graduation gatherings/indigenous moving forward ceremony this year
  - no summer school this year for younger students; only for Grade 11 & 12s
  - report cards will arrive end of June per usual
  - no fee increases will occur next year due to financial hardships from COVID
  - Welcome to Kindergarten cancelled for the Spring; an event will likely occur in Sept. Exciting new staffing possibilities will be occurring for K in the near future. Ms Epp has announced her retirement so there will be a vacancy. Ms Carney is also retiring, creating another opening for staffing.
4. BUDGET Report- see document from Rose.
  - Camp Funds: will not be occurring this year due to COVID. All Grade 7s received a refund immediately. Any students grade 4,5,6 who were scheduled to go to camp and asked for refund were given one as well.
  - Hoping to continue to support Timberline Ranch and to keep funds for camp next year. **Lani** will give info to

parents for how to contact her if they want a refund before next year. No money in PAC budget so no PAC motion required to be passed.

-Discussion re: Scholarship money in PAC budget to go to Gladstone or Van Tech? Lani talked to the Principal at Van Tech and Van Tech supplied a list of 4 students that had apparently previously attended Van Tech. None of the names were recognized as past-Beaconsfield students. Motion passed to give 2 \$200 scholarships to Gladstone students instead. Contact at Gladstone is "Jennifer" and cheques are usually dropped off at Gladstone. **Kathy** will communicate with **Lani** to assure chqs get to Gladstone.

-items discussed (many items/events cancelled due to COVID). See budget documents.

-Lisa to do Purdy's for Christmas/ Easter

-Spud is just ongoing. No one needed to "run" it.

-Shop Funds available for someone to run?? The process involved is to give a notice out, set the ordering deadlines, collect the orders, enter it online, pick up gift cards, sort them and then distribute them. **April** will consider doing it next year if Julia can walk her through it.
