Peer 2 Peer x McCreary Youth-Led Research Training

Which health issues are most important for youth in our community today? This year, the Peer 2 Peer team at Collingwood Neighbourhood House aims to find out by conducting a youth-led and youth-focused, community health research project. To prepare for this project, the [McCreary Centre Society](#) will be hosting a one-day research training on **Sunday, Oct. 17th** from **12:00PM to 3:00PM** via Zoom. This training will cover topics such as how to develop research questions, comparing different research methods, basic research skills, and the importance of ethics and confidentiality.

If you have any questions or would like to take part in this **FREE** training and research project, please email the Peer 2 Peer Program Manager, Jennifer Lingbaoan, at jlingbaoan@cnh.bc.ca.
