Dear Tecumseh Annex Families,

Happy Friday everyone! It has been an exciting week for all with our Terry Fox Run, Orange Shirt day, and a school wide assembly. We continue to be settling into our school routines and remembering all that we need to do with regards to Health and Safety like washing hands, wearing a mask, and avoiding physical contact. We continue to appreciate the patience and support of families as we work to create joyful learning experiences for all of our students.

Sincerely,

Mrs. Monrad

Here are some news items to share with you this week:

1. **Option 4 Learning from Home Students** - If you would like your child(ren) to return to in-person instruction the first entry date is coming up on October 13, 2020. All families who chose this temporary option have three dates where students can return to in-person instruction October 13, November 9 or January 5.

If you would like your child(ren) to return to in-person instruction starting on October 13 please contact me via email, mmonrad@vsb.bc.ca, no later than Tuesday October 6.

2. **Terry Fox** – A job well done to our Tecumseh Annex families for supporting our Terry Fox run. The Tecumseh Annex families donated a total of \$200 to the Terry Fox Foundation. Way to go everyone!
3. **VSB – Student Threat Risk Assessment Protocol-Fair Notice** – The VSB requests that you please familiarize yourself with this document. Follow this [link](#) or read it on the home page of our website under Publications.

4. **Tecumseh Annex's School Code of Conduct** - has been created to maintain a safe, caring and orderly school environment. At Tecumseh Annex we believe that character development through the teaching of positive social skills is paramount to the success of any student. Students are encouraged to learn to R.O.C.K. with Respect, an Open Mind, Community and Kindness.

Please click on the file to read our School Code of Conduct
[School Code of Conduct Tecumseh Annex.pdf](#)

5. **Meet the Teacher** – Due to restrictions from COVID 19 we did not host a Meet the Teacher event this past September. Instead, teachers have sent out letters to families with a photo of their classroom. Our priority continues to be the health and well-being of our students and staff. One of the ways to keep us all safe is by limiting the number of contacts with people not in our family or learning cohorts. Teachers are available to connect with families through emails or leaving a message at the school office.

Upcoming Dates:

Thanksgiving Day Statutory Holiday – October 12th

Early Dismissal for Goal Setting Conferences - October 13th and 14th at 2:00 p.m.

Provincial Pro-d day – October 23rd

Next Virtual PAC Meeting – October 26th 9:30 a.m.
