

Stronger Research Starts Here!

How to access **Tecumseh Library Databases**
from **school** or at **home**, on **any device**:

At school use the **VSB Library logo** on the desktop.

At home go to **library.vsb.bc.ca**

Scroll down, find Tecumseh Elementary School, and *click*

- Southlands Elementary School 
- Tecumseh Annex School 
- [Tecumseh Elementary School](#) 
- Thunderbird Elementary School 
- Tillicum Community Annex School 

Without logging on, you can search for books.
To use the **library research databases, Log In.**

The screenshot shows the library catalog interface. At the top, there is a blue header with a globe icon on the left, the text 'Tecumseh Elementary School' in the center, and a 'Log In' button with a right-pointing arrow icon on the right. Below the header is a light green bar with the text 'Library Search'. On the left side, there is a vertical sidebar with the text 'Library Search' at the top, followed by 'Destiny Discover', 'Resource Lists', and a button labeled 'Français'. The main content area has a 'Top 10' label on the left and a navigation bar with tabs for 'Basic', 'Power', 'Visual', and 'Copy Categories'. Below the navigation bar is a search box with the label 'Find' and a 'Reset All' button with a circular arrow icon. Underneath the search box are five buttons: 'Keyword' (with a magnifying glass icon), 'Title' (with a large 'T' icon), 'Author' (with a pencil icon), 'Subject' (with a list icon), and 'Series' (with a list icon and numbers 1, 2, 3). Below these buttons is a section titled 'Narrow your search to...' with a 'Show Less' button and an upward-pointing triangle. This section contains two dropdown menus: 'Location' set to 'Tecumseh Elementary School' and 'Material Type' set to 'Any Type'.

Just like logging onto school computers,
your **user name** is your **student number**
and your **password** is *student*

User Name:	<input type="text"/>
