

# Novel Coronavirus Update

On February 3, 2020, a joint statement was released from the Ministry of Health and the Provincial Health Officer about novel coronavirus (2019-nCoV) in British Columbia. [Please see the statement here.](#)

The Vancouver School District continues to take the lead of our public health authority, Vancouver Coastal Health (VCH). Please visit its [website](#) for information and updates, including an FAQ.

We will continue to share new information from the Provincial Health Officer and VCH as it becomes available.
