**Re: Vancouver School Board decision about the proposed closure of QEA**

*June 6, 2022*

To Queen Elizabeth Annex, Jules Quesnel Elementary and Queen Elizabeth Elementary school communities,

On Monday June 6, 2022, at a special Board meeting, the Vancouver School Board approved the closure of Queen Elizabeth Annex (QEA) effective June 30, 2023.

On behalf of the Board, I would like to thank the families, stakeholder group representatives, community members, students and staff for taking the time to provide their feedback. More than 1,000 participants completed an online survey, attended a community dialogue session and/or submitted direct email feedback to the Board. The engagement summary report detailing What We Heard and email submissions was presented to the Board on May 30.

School closures are difficult conversations and the decision to close the school was not made easily. Recognizing there may be many questions from the impacted school communities, District staff will immediately begin to work with impacted students, families and staff to support a successful transition ahead of the move in September 2023.

Following the Board's decision, District staff will determine where current QEA students will be relocated starting in the 2023/24 school year and communicate this decision to staff and families by June 24.

Regards,

Janet Fraser  
Chair, Vancouver School Board
