### TREK PROGRAM

TREK is an enriched integrated outdoor education program for Gr. 10s. TREK charges each student \$900 tuition. There are 112 students enrolled in the TREK program in total. Bursaries are available to students requiring financial assistance, and no student has ever been refused entry due to financial hardship.

The TREK Program charges a \$50 deposit at the time of acceptance into the program (February) and \$850 over the summer. Total fee is \$900. This tuition supports the use of certified outdoor guides (industry standard), equipment (ranges from backpacks to climbing gear, kayaks and sanitation equipment), transportation, facility rentals (campsites, trail fees and tickets) and other associated expenses.

The \$900 forms only part of Trek's operating budget, which is around \$140 000. The shortfall is made up by fundraising.

### PW MINI

Mini school enrichment fee: \$180 covers costs for in-house workshops, guest speakers, field trips (Bard on the Beach, Pacific Cinemethique, Arts Club Theatres, Vancouver Opera), Math exams, Science shows, workbooks, and school service projects. Additional field studies activities are not included in this enrichment fee. Total fees for the year are approximately \$1000.

### Financial Hardship Policy

The Board of Education Trustees is committed to ensuring that no school-age student will be denied an opportunity to participate in a course, class or program because of an inability to pay fees. Parents and guardians unable to pay some or all of a school fee are invited to speak to their child's teacher, school counsellor, and/or the school Principal.

### TEMPLETON MINI SCHOOL FEE SCHEDULE 2018-19

Templeton's Mini School charges students for costs associated with their annual trips. Students do not pay for anything else; the Mini PAC does fundraising to offset costs for in-school activities, and for students who cannot afford trip fees. The school has also contributed funds for students requiring subsidy.

There are payment options for families over the students' 5 years in the Mini School so the fees are more manageable
