## TRUDEAU PAC MINUTES

April 21, 2022 (via Zoom)

In attendance: Angela Hughes (Prin); Mark Achtemichuk (Sec);

Regrets: Iris Mather (Trea); Herschel Agoncillo (Prez); Diana Leong

1. Updates from Angela –
  - i. COVID protocols removed, but district workplace rules may still be in force re: communicable diseases plan – on VSB website. Parents encouraged to read plan online.
  - ii. District will keep students eating in classrooms for the rest of the year and will re-assess for next year. School will likely not utilize instruction time next year and try to have Grade 7 students as supervisors over lunch in each classroom.
  - iii. School will keep all but the front door locked to prevent people entering the school on non-related school business. Trudeau will continue to use the exterior doors for each classroom as this has reduced chaos inside the school.
  - iv. New signage will be coming for the school to encourage those who are sick to remain home.

- v. Field trips are optional now, however the school will start slowly and as students and teachers feel comfortable, acknowledging that these can be excellent learning opportunities for our students.
- vi. Hand washing process will continue under the communicable disease plan. It does take away instruction time, esp for primary students.
- vii. Books for Me program is back on – will start in late April.
- viii. School is opening up for volunteers who have previously helped out at the school.
- ix. School will do a full welcome to kindergarten program this May 18<sup>th</sup>. KD has a waitlist for 2022/2023.
