

## BOOK WITH EDITOR(S) OR NO AUTHOR

Information for the citation should be taken directly from the book's title page and the verso of the title page. Do not rely solely on the book cover.

### FORMAT:

*Title of the Book.* Publisher, Date of Publication.

### Examples:

*The Art of the Italian Renaissance: architecture, sculpture, painting, drawing.* Konemann, 1995.

*The Penguin Book of First World War Prose.* Viking Press, 1989.

### Note:

- No Author? Or Editor(s)? Begin with the *Title of the Resource*.
- When you put this type of entry in alphabetical order, arrange it by the keyword, not the article "the".
- When the information for a resource does not fit on one line, the 2<sup>nd</sup> line is indented a minimum of 5 spaces / characters. (See example 1 above.)

Remember to review the General Rules that appear on the "Citing Resources – MLA style" page.
