

Identity Day@ Livingstone!

November 23rd ~ Share your Passion!

"It's like a whole school Show & Tell day!"

This is a special school wide activity. This is meant to build connections and enjoyment for all students and be an inclusive event.

How do students plan for this?

- Brainstorm some things you are passionate about (with your parents).
- Choose one topic you would like to share with us at school.
- Between now and Nov. 23rd plan out what you are going to bring and how you are going to display it (needs to fit on your desk).
- On Nov. 23rd (Or earlier if your teachers wishes) bring in your display/items so that it's ready for the Big Day!

What does "Identity Day" actually look like?

- On Nov. 23rd, students will get an opportunity to set up their display.
- Students will then alternate between going and looking at other students' passions and proudly displaying/answering questions about their own (not a formal speech).

Frequently Asked Questions:

1. **Will my child be assessed on this project?** No! The assessment they will receive is purely participation. The focus is not on assessment, but more on sharing their passion and getting to know their peers and school community better!
2. **Will my child get time in class to work on their display?** Teachers will provide discussion/thinking time to generate ideas and answer any questions your child may have. Planning and preparing is to be done at home independently or with the support of parents/caregivers.

If you have any questions, please discuss it with your teacher or email
