Are You Returning to False Creek?

IMPORTANT: ACTION REQUIRED

The yearly [“Are you returning to False Creek Elementary School \(for the 2022-2023 school year\)?” survey](#) went out to families last week.

The deadline for responding to the survey is Friday, March 4, 2022.

Parent Teacher Conferences

Wednesday, March 9th and Thursday, March 10th are the dates for our Parent Teacher Conferences. The conference is a time for students, parents and teachers, to discuss student progress and strategies to help each child achieve progress towards their goals.

ALL STUDENTS GO HOME AT 2:00 PM ON BOTH DAYS (March 9 & 10).

Lost and Found

Our Lost and Found area is once again filling up with lost items! We will be taking pictures of these lost items and sending them out in an email to parents next week. Lost and Found items will be placed outside of the gym doors in the morning and after school during Parent Teacher Conferences Days, Mar. 9 & 10 (2pm– 5pm), during the last week of school before Spring Break. All unclaimed items will be donated to charity

over Spring Break. Please come by and have a look...before it's too late!!

False Creek Wears Pink

On Wednesday, February 23, False Creek students and staff wore pink to raise awareness around bullying. Often, the simple act of wearing a shirt can start conversations - conversations can be a big step towards healing and helping!

Student Learning Survey 2021/2022

The Provincial Student Learning Survey is unique in its scope, size and usefulness to schools. It gathers information from parents/guardians/caregivers, teachers and students on topics related to school environment, safety, and achievement. The information is used for planning in individual schools and provides a district and provincial perspective.

Early in **2022** the Student Learning Survey will be administered to students in grades 4 and 7, their parents/guardians/caregivers, and all school staff. We encourage parents/guardians/caregivers to participate in this survey, as the results are important in identifying and celebrating current strengths, as well as determining where the school needs to focus improvement. The surveys contain standard questions for the Province .

The survey can be completed electronically and can be accessed on the

Internet at http://www.bced.gov.bc.ca/sat_survey. Any computer with an Internet connection can be used, and access to the e-survey is simple and secure. The survey can be accessed through the link without a logon code by selecting the school district and school name where your child attends school. Provincial, District and School Reports for previous years can be viewed at the same site under the *Results* section.

The e-survey site will be open until April 30th.

If you have any questions, please contact the school at 604 713-4959.
