Dear Parent/Guardian,

The elementary school team recommends that your child could benefit from enrolling in a Skills Development class next year.

Skills Development is a class on the regular timetable in which students receive remedial and executive functioning support for their academic subjects. Learning strategies, study skills, and organizational techniques are explicitly taught in this class. Additionally, students get the opportunity to review and complete their assignments under the supervision of a Skills teacher.

Kindly note that the Skills Development class will replace French 8, Applied Skills 8, or your child's Fine Arts 8 elective (Music, Visual Arts, or Drama).

Please complete the portion below, indicating either 'Yes' to accept enrollment into a Skills class, or 'No' to decline the offer of a Skills class, and return it to your child's grade 7 teacher as soon as possible. The elementary school will forward the signed form to the Lord Byng Team.

Sincerely,

Smita Srivastava
 School Based Resource Teacher
