## Food Donation Drive

We will host a non perishable food donation drive from December 13th to 17th. Items can be dropped off in the morning at the undercover area.

Please ensure your child has a jacket and appropriate footwear as we continue to experience days of heavy rain. Students will be outdoors at recess and lunch breaks.

While teachers encourage students to put on their jackets and boots, we ask that you speak to your children as well about this.

Students may bring an extra pair of shoes and socks to be left at school.

## Lost and Found

Our Lost and Found will be displayed outside in the morning from December 13th to December 17th

All remaining items will be donated.

Your stuff misses YOU too.

## School Registration

School registration for the 2022-2023 school year began on November 1, 2021.

- Two steps are required:**
- Step 1: Complete an online application**
  - Step 2: Verifying Documentation**

Contact your catchment school office to set up an appointment to bring your supporting documentation to the school.

If you want to apply for a District program or cross-boundary, you must first apply to your English catchment elementary school.

Applications for District programs and cross boundary placements will begin to be accepted in early 2022.
