Bollywood Dance and Performance!

The students of Osler have the exciting opportunity to learn Bollywood Dance with Karima Essa from **December 2nd-6th!** Karima is Bollywood dancer, choreographer and instructor. She has been sharing her love of dance with schools since 2018, and has a passion for supporting diversity and body positivity through dance. Classes will have a dance lesson each day leading up to **a performance on Friday, Dec 6 at 1:45PM.** Families are welcome to watch the performance in the gym from 1:45PM-2:30PM. If families plan on attending, please enter through the front doors of the school. Families may take students home after the performance and must check-out with the teacher from the student's classroom. We are looking forward to a week filled with dance, music and fun!

Sr. Volleyball

Congratulations to Osler's Senior Boys and Girls Volleyball Teams! Osler can be proud of the enthusiasm, fair play and amazing skill development demonstrated by our students over the past 10 weeks of practices and game play. What a great season of volleyball! Go Osler! Good luck to our City Championship Teams next week!

**Kindergarten
HEARING SCREENING
on December 16th, 2024**

If you have any questions or do not want your child to be checked, please call us at 604-659-1100.

Promoting wellness. Ensuring care. Vancouver Coastal Health Authority

Updated: May 4, 2021 by: JH

Dear Principal / Head of School,

Annual Kindergarten hearing screening will take place at all schools in Vancouver Coastal Health during the 2024/25 school year.

Schools are asked to assist public health staff by providing a copy of the class list with the student's names, parent's names, child's birth date, telephone number and address and the option to self-identify their child as Indigenous. Section 79 of the School Act permits persons providing health services access to information in the student record required to carry out that service.

All information will be collected, used and/or disclosed in accordance with the Freedom of Information and Protection of Privacy Act. Please note that starting in the 2024/25 school year, student names who fail hearing screening will be shared with the principal. This is to let the school know that there will be follow-up screening or assessment from our audiology program.

Your school will be contacted to schedule the hearing screening visit. Once a date has been established, we will email your school a digital letter/notice for the teacher and for the parents. We request that you disseminate the parent notices 2 weeks prior to the screening. If the notices are not distributed to parents 2 weeks in advance of the screening visit, then the visit must be rescheduled.

Following screening, parents of children requiring follow up will receive a brochure advising of next steps. We value your continued support of our efforts to improve the health status of children.

Sincerely,

Vancouver Community Audiology Centre

**BASKETBALL
COACH NEEDED**

Ms. D is looking for a parent volunteer to help coach grade 6/7 basketball this season.

**IF YOU'RE INTERESTED,
PLEASE EMAIL MS. D AT:**

Transitioning from Grade 7 to Grade 8 for Students with Special Needs

Preparing for Grade 8/What to know during the Grade 7 year

Nov 25, 2024

If you have a student in grade 7 I recommend checking out the information on the VSB website in this link; [Preparing for Grade 8/What to know during the Grade 7 year](#)
Here you will find information about secondary programs and mini schools as well as documents needed for a smooth transition. There are even commonly answered questions for students starting this new journey!

Enjoy your weekend,

Rosemary Thomas
Principal at Osler
