

Friday January 31, 2025.

Good afternoon Osler community,

In the event of snow  
Our Students making a Difference

**Snow Event Notification**

Vancouver School Board has procedures that are followed in situations where heavy snowfall might be affecting schools.

All schools in the Vancouver School Board will remain **open** if at all possible during snow events. Any district-wide closure will be decided by 7:00 a.m. at the latest. Details of district-wide or individual school closures will be announced through the media and the district website: [www.vsb.bc.ca](http://www.vsb.bc.ca)

**Please note that no announcement will be made stating that schools are open. Only closures and delayed openings will be announced.**

Information about school closures will be sent to Metro Vancouver radio and television stations. Please check the following stations for school closure information (but do not call them):

Radio	Television
CBC AM 690 radio, 88.1 FM	Global BC
CKNW AM 980 radio	CBC TV
News AM 1130 radio	CTV BC
Fairchild AM 1470 radio	City TV

Student safety is the first priority of the Vancouver School Board. Schools will be kept open except under extreme circumstances to provide the option of attendance for all, but the decision to attend is the responsibility of each family.

Parents/guardians are responsible for their children's safe travel to and from school. If, for any reason, a parent/guardian feels that a child cannot travel safely to school, then they should make other arrangements.

During extreme weather conditions it is also common for police and other authorities to advise citizens to avoid unnecessary travel. Parents should take this advice as well. Students will not be penalized for lack of attendance under such poor weather conditions. Students are reminded to wear appropriate clothing for the conditions. When sidewalks and roads are slippery students walking to school should take extra care.

We encourage you to review your own preparations for severe weather conditions and ensure that you are familiar with the city's response procedures for those conditions. We request that you strictly adhere to parking restrictions in and around all Vancouver schools. Your child's school will contact you about any changes to driving routes that may be put into effect on streets adjacent to the school.

**Busing**

School buses for students with special needs will attempt to operate on their normal schedule during days with snow or other severe weather. Significant changes to the bus schedule as a result of weather conditions will be reported on the district website. Should the condition of side streets require a change to the operation of school buses for our students with special needs, or any cancellation of service, affected families will be informed.

A Teams message on All Students @ Osler Elementary 2025 will also be posted only in the event of a school closure

## Our Students Making a Difference!

Megan, Vidya and Luna presented their passion project to the school on Wednesday during our assembly. They have worked hard to support UN Sustainable Development Goals that help to bring further awareness to global issues.

# World Helper

We're excited to share about a special project we've been working on since September: an app called *World Helper*! The app helps students learn about the UN Sustainable Development Goals (UNSDG) and plan events that support them.

Check it out at <https://unsdg2025-production.up.railway.app/>

Our goal is to engage every class at Osler to support the UNSDG through *World Helper*. Students can work with their teacher to create a class team and plan events that support the UNSDG! Students will learn that simple events like a garbage cleanup, toy swap, or canned food drive can support the UNSDG!

*World Helper* is an educational game and we are going to have a friendly competition at Osler. The app will track each team's progress through a fun bingo card and a Leaderboard. Classes can win prizes for completing their bingo card or climbing to the top of the Leaderboard!

We are looking for parents volunteers (e.g., driving canned food to the food bank) and donors for prizes (e.g., any prize big or small will be appreciated). Please email [sdgworldhelp@gmail.com](mailto:sdgworldhelp@gmail.com) if you interested in helping out.

Will you help us inspire students to work together, learn about global issues, and make a difference in the world?

Thank you for supporting this initiative!

Warm regards,  
Megan, Vidya and Luna (Grade 4 – Ms. Feng's class)
