

Good afternoon, Osler community,

Longest Day Road Race

Grade 7 Fundraiser

Community News

Osler KM Club - Join us for The Longest Day Road Race 2025!

The Osler KM Club is excited to participate in The Longest Day Road Race again this year! Join our team on **Friday, June 13th, 2025**, at **Thunderbird Stadium, Stadium Road, UBC Campus** for a fun evening of running and community. Students can participate in the Kids Mile (1.6 km) or the 5 km Road Race.

Registration:

- **Register Here:** <https://www.thunderbirdstrack.org/longest-day-event-info>
- **Team Name:** During registration, please select "Osler Running Club" from the drop-down menu.
- **Early Bird Pricing:** Register before March 31, 2025, to take advantage of Early Bird pricing!

Important Notes:

- You must arrange your own transportation to and from UBC.
- The event supports the Greater Vancouver Food Bank. You might consider additional fundraising!

Everyone is welcome! KM Club members, students not currently in the club, and family & friends – we'd love to have you all join the Osler Running Club team! Family members are also encouraged to sign up for the 10k race option if they're looking for a longer distance.

Grade 7 Fundraiser

We're thrilled to share that all Grade 7 students participated in an exciting logo design contest! A huge thank you to the teachers who brought their classes to vote for their favorite design. 🎉

With the students votes, the top three designs have been selected: 🏆 🎁

Most Votes: Heather from Div 1

Second Most Votes: Kazuyoshi from Div 1

Third Most Votes: Terrance from Div 1

These fantastic designs are now available on **black t-shirts** with a **white print**. The shirts come in two styles and are available in youth sizes from Small to XL.

Important Information:

- Each student will be bringing home an order form.
- Please pre order your t-shirt(s) with the order form and return it, along with payment, to your child's teacher by **Wednesday, March 12th**.
- T-shirts are \$15 each.
- Orders can also be placed online.
- All orders will be fulfilled **after Spring Break**.

For more details and to preview the designs or order online, please visit thehootcornerstore.square.site.

Be sure to grab your tee and thank you for your support!

HOT LUNCH

Due to high demand for more sushi, we've added a new vendor! Starting in April, **Minato Sushi Restaurant** will serve most Wednesdays, while Toku will be available on the last Wednesday of each month.

Boston Pizza will be available every Tuesday.

Thank you for your ongoing support of Osler's most successful fundraiser!

Please remind your child to bring reusable cutlery.

Follow the instructions on our website if you are new to ordering Hot

STEAM4KIDS

8-WEEK SCIENCE CLUB @ SIR WILLIAM OSLER ELEMENTARY

The **DISCOVERY SCIENCE** program offers 8 weeks of exciting hands-on science based activities. Watch fascinating demonstrations, join in enquiry-based discussions, participate in individual & group experiments, and make amazing take-homes. STEAM4Kids will inspire the curiosity and imagination of children with fun science activities that will help them understand the science all around them. Some of the topics that will be covered are below.

Registration Open to Grades: 1-7
Dates: Mondays, March 31; April 7, & 14; May 5, 12, & 26; June 2, 9
No Session: April 21 (Easter Monday), 28 (Pro-D Day); May 19 (Victoria Day)
Time: 3:10pm - 4:10pm
Cost: \$150.00 including tax (8 Sessions)

CELLS
Explore the cell anatomy and the function of the parts of the cell. Study actual cell structures under the microscope.

DINOSAURS
Examine real fossil casts, and explore the differences in the teeth of herbivorous and carnivorous dinosaurs.

ECOSYSTEM EXPLORATION
Learn about the interconnections that exist between all the living things in ecosystems including human beings.

ENERGY IN MOTION
Learn all about energy and motion. Discover that energy can be stored, some basic laws of motion and how things move. Experiment with ribbon dancers, tube racers, and slinkies.

HUMAN BODY
Learn about the human body! Bones called the skeleton; muscles help people to move, and the heart pumps blood through the body bringing food and oxygen to all parts of the body.

SEEKING OUR SENSES
Explore all five senses. Test your vision with optical illusions, experiment with your hearing, and try your hand at reading Braille.

WATER WORKS
Have fun with water. Discover why some things float and some sink; learn about surface tension and experiment with water absorption.

To register, please fill out the form @ <https://forms.gle/Bbi7BxpFireVU1uf9>

RHYTHM & ART PRESENTS

VISIONARY MASTERMIND AFTERSCHOOL PROGRAM
