

Good afternoon Osler community,

I hope that you enjoyed the time off during Spring Break. It is always lovely to have some time away from routine, but like many I enjoy getting back to set times for things. With that said there will be more changes for me coming after June which will change my routine even further! I wanted to let the community know that it will be mixed emotions I will be leaving Osler after this school year. I will be starting a new chapter in my life with retirement. I have been with the Vancouver School Board for 37 years, not including the time as a student at Southlands and Magee!

It has been a privilege to work with such a dedicated and compassionate staff and to be part of this tremendous community full of enthusiasm and strongly connected to helping one another.
