Young Entrepreneurs' Fair – A Great Success!

A big thank you to all the parents and guardians who came out to support our Young Entrepreneurs' Fair! Students from Ms. Feng and Ms. Kim's classes had a fantastic experience showcasing their creativity, collaboration, and business skills. The support of our school and parent community truly made this event a success. All profits will go toward our upcoming June field trip to the Vancouver Aquarium with our buddy classes, Ms. Roopra and Ms. Sommer. We're proud to close the books on a rewarding and memorable event!

Enjoy your weekend,

Rosemary Thomas
