We will be celebrating the grade 7 students moving on to secondary school this coming week. Families of grade 7 students are invited to attend the assembly and photo opportunities on Wednesday June 18<sup>th</sup> starting just after 9:45.

For those grade 6 parents wishing to get a jump on the upcoming grade 8 (September 2026) mini schools please follow the link <https://www.vsb.bc.ca/page/5292/mini-school-programs>

## **Sports Day**

### **Primary Sports Day – Friday, June 20**

Primary students brought home a notice today with important details about **Sports Day**, including their **team colour**. Please check their backpack so they can come dressed in the right colour and be ready for the day's events!

We'll kick things off with a **K–3 parade at 9:15 a.m.** Primary students may ride a bike or scooter or walk if they prefer. Helmets are mandatory, and students must be experienced and confident riders. After the parade, families are responsible for either taking the bike/scooter home or ensuring the child can lock it up on the school's bike racks.

Looking forward to a fun and safe day!

## **Farewell to our Student Teachers**

Last Friday, we celebrated the end of a wonderful ten-week practicum for **Ms. Shibata** and **Ms. Angeles**, who have been student teachers in Ms. Jackson's Grade 3/4 class (Div. 7) and Ms. Shirai's Kindergarten class (Div. 12K). We gave them a warm "see you later" and thanked them for all the energy, care, and creativity they brought to our school. We hope to see them back as TTOCs in the future!
