Good afternoon Osler community,

Movie fundraiser Night
Learning Updates
Safe Arrival
OPG/PAC

Movie Night 🍿

As part of the Grade 7's preparing for Camp they organized a Movie event under the guidance of their teachers. Thank you to all the teachers and grade 7 students who participated to make this event happen!

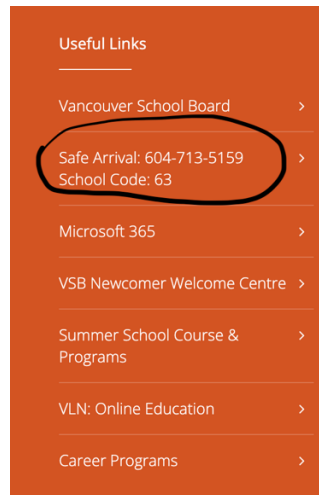

Learning Updates

Learning updates, previously called report cards, will be coming home next week on Tuesday March 12th. Learning updates are just that; a chance to connect with your child around how they are doing at school and update their learning journey. I encourage to take some time to let your child walk you through this document asking curiosities along the way. If there are any curiosities, you may that the school can help with please let us know!

Safe Arrival

To help us ensure the safety of all student attendance please use the safe arrival number and code. This number is available on the Sir William Osler VSB website, as well as shown here.

Mark your calendars, our much-anticipated PAC community event, **Osler's Spring Fair**, is returning on May 10!

Curious to learn more about our event, or find out ways you can contribute and make a difference? Join us for a **Virtual Info Session**:

 Date: Wednesday, March 13 at 7:00 - 7:30 pm
