

Good afternoon Osler Community,

Dressing for the weather
Halloween
Camp Read
Kindergarten Registration
PAC Website
Ms. Roopra’s class

† Remembrance Day assembly. Friday November 8th at 11:00 🍁

Dressing for the weather

It looks like the rainy weather is now upon us, quite literally! Please ensure that children come to school dressed for the weather such as rain jackets, boots and possibly extra sets of socks, pants and such. We have noticed many students going outside in hoodies or jackets that do not repel rain causing them to spend the rest of the day wearing wet clothing that can be uncomfortable and distract from their studies. At Osler every day is an outside day for recess, and lunch. Staff outside at these times model appropriate wear such as rain jackets, umbrellas and boots; please provide these items to ensure your children have a successful day!

Halloween

Staff and students had a ghoulish day on Thursday dressing up and enjoying Halloween related activities. Here are a few photos from the day:

Camp Read 📖

Students and staff took the morning having the luxury to read in the comforts of pajamas and cozy accessories. Leadership Club also brought further awareness by collecting donations for Covenant House! Well done everybody!!

Kindergarten Registration

VSB Vancouver School Board

**PRIORITY KINDERGARTEN
REGISTRATION**

NOV 1 - JAN 31

For children born in 2020

— 1 —
APPLY ONLINE
govsb.ca/kindergarten

— 2 —
VERIFY IN PERSON
Contact your neighbourhood
catchment school to make an
appointment

If you know of any families who have children born in 2020 now is the time to register for Kindergarten! Please ensure that both steps are complete to ensure registration.

PAC Website

PAC has worked hard to create a PAC website! This includes all things PAC 😊, such as how to order hot lunch and any upcoming events. Please save link: <https://sites.google.com/view/oslerpac/>

Ms. Roopra's Grade 2/3's

Ms. Roopra's Division 9 students have been working with *Growing Chefs* to learn how to grow our own food and prepare heart healthy meals. The collaborative and hands on approach to learning has peaked students' curiosity and will to learn more about the process of gardening, harvesting and having control over the number of ingredients that go into their prepared foods.

Ms. Roopra's students worked hard this week to clean up their garden patch and get it ready for Winter. They worked together and dug around the Holly tree outside their classroom window for their daffodil and tulip bulbs! Students are so excited for Spring already!

Happy Fall Everyone!!!

Love Ms. Roopra's Class

Remembrance Day assembly will be this coming **Friday November 8th 11:00-11:30 in the Gym**. This will be a student led assembly. Parents and families welcome to attend.

Rosemary Thomas
Principal at Osler
