**Class Photos.**

On Tuesday April 16 is when we have the photographer back to take class photos. Grade 7's as well as a panorama photo will also be taken. Students may wish to wear a favourite outfit for these photos!

**Ms. Roopra's Division 9**

In Ms. Roopra's class, the students are excited about Spring. They've started their own tulip garden and love watching it grow. They have spent time outside to see how the small stems are turning into colorful tulips. Even though not all of the tulips have bloomed yet, just seeing them makes the students happy and hopeful! Students eagerly counting the growing flowers and noticing all the different colors on the petals. This shared love for nature makes all of us feel amazed and thankful. Yay Spring!

Please come out and contribute in providing a better life for adorable animals and leave with attractive accessories and wonderful crafts.

The Spring Fair will be on **Friday, May 10th from 4:30-6:30pm**

**We don't currently have enough volunteers to be able to put on the minimum to have a Spring Fair so please sign up right away so we can continue to make plans.** Our greatest need is for attendants for our Game and Ticket Stations. Volunteer shifts are 40 mins each to make sure you can enjoy the activities with your families. Without volunteer support, the fair is at risk of being canceled or changed to a different type of event.

Please use the signup sheet and your assignments will be confirmed 1 week prior to the fair date:
