# Grade 12 Literacy Assessment Information

## About the Assessment

The Grade 12 Literacy Assessment is a provincial assessment that assesses student proficiency in literacy. It is a graduation requirement and completed during students' Grade 12 year.

The Grade 12 Literacy Assessment assesses students' ability to use critical and reflective thinking and analysis to make meaning from a diverse array of texts. It also assesses the ability of students to communicate their ideas, or those found in the texts.

The Grade 12 Literacy assessment is not based on a particular subject matter or course, but rather on learning across multiple subjects from kindergarten to Grade 12.

## Schedule of Assessments

Students required to write the Grade 12 Literacy Assessment will be pulled out of their regularly scheduled classes to write the assessment. There will be multiple sessions over four days. It will be important that you attend the assessment session you are scheduled for. Due to limitation of space and resources, rescheduling of assessment session will not be possible.

**The Schedule of Assessments will be posted in front of the Main Office.**
