## GRADUATION CEREMONY- DETAILS

The staff of Vancouver Technical have traditionally held this celebration for those students who attend regularly and who are achieving success in the courses required for graduation.

This year's Graduation Ceremony will be held at the Orpheum Theatre (located at 601 Smithe St, Vancouver, <https://vancouvercivictheatres.com/venues/orpheum/>) on **Monday, June 19<sup>th</sup>, 2023**. The lobby doors open for guests at 6:00 pm, and access to seating will open at 6:30 pm. The ceremony will begin promptly at 7:00 pm. **Limited pay parking is available, so please plan to arrive early** (or take public transportation). Graduates must be at the theatre **by 6:00 pm at the latest**. Each student must have their gown and a ticket to enter the theatre; please enter off the Granville Street Entrance.

As this is a formal occasion, we expect everyone to be on their very best behaviour. Applause is appreciated; whistling and shouting are not. Please turn off your cellular phones before you enter the theatre. Grads are to remain seated in their reserved seats throughout the ceremony. Families and guests are asked to remain seated until the ceremony and the formal recessional from the theatre are complete - this allows all parents and guests to see their graduates. Artona Studios will take a picture of each graduate as they cross the stage, and these pictures are mailed home in August to the grads.

**GOWNS FOR GRAD CEREMONY:** Grads will be provided with caps and gowns to wear at the ceremony. These gowns were purchased and ordered with Grad Fees and will be distributed during the FIT Assembly on Tuesday, June 13<sup>th</sup>. Grad caps, stoles, and gowns, along with the three complimentary tickets (1 for the student and 2 for guests), will be given to students at this time. After the ceremony, the gowns will belong to the graduating students. Students are asked to choose their gown size [HERE](#) by **Monday, May 8, 2023**.

**GRAD CEREMONY REHEARSAL:** Two rehearsals are planned for all grads in our auditorium on Tuesday, June 13<sup>th</sup> and Thursday, June 15<sup>th</sup>, during FIT time. It is mandatory that all grads attend these events, and students will be signed up on their behalf via myweeklyplanner.

**GRADUATION CEREMONY MESSAGE:** Each Graduate is responsible for drafting a SHORT message that will be read as they cross the stage. Some examples of what you may want to include are: "What you will fondly remember, your future plans; Regards to people you may wish to thank; A reflective statement of some kind." Remember that this will be read by a teacher/administrator, so it must be written in the third person (e.g. Emily is excited to be taking a year off in the fall and travelling around the world. She will miss her friends and family in Vancouver. Your message must be appropriate for a formal occasion, and it must be 30-50 words long maximum and be submitted electronically using the form: [HERE](#). The ceremony messages are due on **Monday, May 8, 2023**.

**TICKETS FOR GRAD CEREMONY:** Each graduate will receive three complimentary tickets (one for the student and two for the student's guests). There are a limited number of additional tickets available. Families can purchase up to 10 additional tickets for \$10.00 each starting May 30<sup>th</sup> until June 7<sup>th</sup> on school cash online (<https://vsb.schoolcashionline.com/>). Students will receive additional purchased tickets with their gown and complimentary tickets at the FIT assembly on June 13<sup>th</sup>.

If you require more than the 10 additional tickets, more tickets (if available) can be purchased in the school office June 13<sup>th</sup>- 15<sup>th</sup>.

**VALEDICTORIAN UPDATE:** We would like to congratulate Charlie Wakelin and Ash Fengler on being selected by their peers as co-valedictorians for the class of 2023!

## **GRADUATION DINNER & DANCE**

---

**GRAD DINNER & DANCE:** On Friday, June 9<sup>th</sup>, 2023, beginning at 6:15 pm, Van Tech graduates will participate in a dinner and dance sponsored by the school and organized by the Grad Committee. The event will be held at the Fairmont Waterfront Hotel located at 900 Canada Place Way, Vancouver (<https://www.fairmont.com/waterfront-vancouver/>)

The Grad Committee has been fundraising to assist with lowering costs as they have done each year. The final ticket price is **\$130.00**. Only Van Tech Grad 2023 class members in **good standing** can attend this event. Please note that per hotel policy, students may **not rent rooms** at the Fairmont Hotel Vancouver or have others rent rooms on their behalf. In order to get an estimate of how many students plan to attend, students are asked to pay a \$50 deposit by May 8<sup>th</sup>

- For students who have paid the \$50 deposit, please go on School Cash Online to pay the remaining balance of \$80.00 by May 18<sup>th</sup>.
- Students who have not paid the deposit, can purchase a ticket in the office-cash or cheque by May 18<sup>th</sup>.
- Students are asked to create a table arrangement in groups of 10 once dinner dance tickets are paid in full.

**Grad Dinner & Dance Tickets will be distributed at a FIT assembly on June 6<sup>th</sup>.**

## **GRADUATION REQUIREMENTS- CLC & CAPSTONE, GRADUATION ASSESSMENTS**

---

**CLC & CAPSTONE:** All grade 12 students will create a Capstone Project as part of their graduation requirements in their Career Life Connection 12 (CLC) Class. A Capstone is a multi-faceted project that encourages both research and experience as part of the student's exploration. Students have spent more than 30 hours delving into their interests, passions and possible future paths in these culminating projects and shared the story of these explorations in their Capstone. These Capstone projects might explore something the student is passionate about, an area that interests them deeply, or is the student's attempt to answer, "Who am I, and what is the best path for me in the future?"

**GRADUATION ASSESSMENTS:** Students are required to write the Literacy 10, Numeracy 10 and Literacy 12 assessments for graduation. Most students have completed these requirements. Please check with your counsellor if you are unsure.

Grade 12 students who have not completed any of the Numeracy 10, Literacy 10 Assessment or Grade 12 students who have not completed the Literacy 12 Assessment will have another opportunity on Wednesday, June 22, 2023 during Periods 3 and 4 to meet this graduation requirement. Your counsellor will contact you with a reminder, time, and room number.

For students who wrote the Literacy 12 assessment in January 2023, results should be posted. If a grade 12 student would like to rewrite their Literacy 12 assessment, there will be an opportunity on Thursday, June 23, 2023—details to follow.

For students who want to access their assessment results and a personalized performance report, go to [Student Transcripts Service](#) website and register for a BCeID . Once you have created an account to access the site, click on "Graduation Assessment/Provincial Exam Results" to view the results. Note, this site is where you can also "View Your Transcript," "Send/Order Your Transcript" as well as other options. The Ministry transcript contains only your completed courses, not in-progress courses.

Please note,

**SUMMER MAILOUT:** The Ministry of Education Dogwood Diploma will be mailed home at the end of August, if the graduation requirements are met. If you have recently moved or will be moving at the end of the school year, please remember to inform the office. This will ensure that you receive this document from Vancouver Technical Secondary School.

As I mentioned at the beginning of this letter, our Graduation (School Leaving) Ceremonies celebrate the completion of our students' secondary schooling. It is a privilege they have earned by attending regularly and by putting their best effort into their programs, especially the courses necessary for graduation. If you have concerns about your son or daughter's participation, please contact our Grade 12 Counsellor, Mr. Landry.

I would like to thank all of the student members of our Grad Committee, along with their sponsor, Ms. Bighorn, for all of the work, time and care invested in these events, and thank you, parents and guardians, for your support of our graduates!

Sincerely,

Roberto Moro  
Principal
