Dear Vancouver Technical Community:

This notice is to inform caregivers that the Semester 1 Final Reports will be published on
Friday March 10 2023, by 3pm.

The Interim Semester 2 report has been published on the **MyEducation BC Student Family Portal**
 (<https://myeducation.gov.bc.ca/aspen/logon.do>). This report contains work habits and comments providing families with the students' current progress in their courses.

In addition to report cards, teachers may provide students with important notices and anecdotal subject reports that caregivers should review.

We also encourage caregivers to review student's core competency self-assessments on TEAMS. Students have had the opportunity to self-reflect on one of their strengths and share their process of achieving an academic goal this semester.

Your child's report card is **electronic** and will be published to their MyEducation BC account. (Please see the next page for instructions). Please note, the Semester 1 final report will be available until April 27th, 2023. **It is recommended that you download and save a copy for future reference.**

If you have any questions regarding your child's progress, you may contact their subject teacher or counsellor directly via email. All staff contacts can be found on our school website [HERE](#) or you may phone the school to speak to the teacher directly (604-713-8215).

For Semester 2, we will be following the reporting schedule below. The April 28th report will include mid-semester marks or letter grades, work habits and comments for Semester 2 courses.

	Interim Reports	Mid Semester Report	Parent Teacher Conferences	Final Semester Report
Semester 2 Reporting Schedule	March 10, 2023	April 28, 2023	May 4, 2023	June 28, 2023

To Access Your MyEd Report Card

Step 1: Login to the Student System: <https://myeducation.gov.bc.ca/aspen/logon.do>

Step 2: Click on the Pages top tab, find the report under "Published Reports".

The screenshot shows the MyEducation BC interface. At the top, there are tabs for 'Pages', 'Academics', 'Calendar', and 'Locker'. The 'Pages' tab is selected. Below the navigation, there are sections for 'Announcements', 'Welcome to MyEducation BC', and 'Weekly Maintenance Windows'. The 'Published Reports' section is visible, showing a table with columns for 'Filename', 'DateUploaded', 'Creator', and 'Description'. A red arrow points to the first entry in the table: 'Report Cards - Middle Years and Secondary'. A green callout box with a white background and black text says: 'Click here for a pdf of the report card. Make sure to save this copy for your records.'

MyEducation BC Family Portal Login Information

Final Semester Report will be published onto the MyEducation BC Family Portal on **Friday March 10th, 2023**. This will include a final semester grade, work habit and comment for most classes.

The Family Portal account is a **shared** account between student and parent/guardian. Please ensure that any change in password is shared amongst users (student and parent/guardians) as this will lower the chances for an account becoming disabled due to invalid logins.

For First Time Login Users:

Follow these instructions to set-up your account:

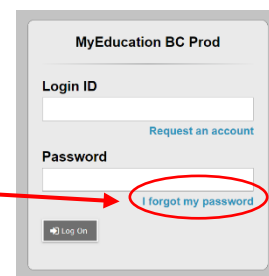

<http://go.vsb.bc.ca/schools/MyEdStudentFamilyPortalSupport/QuickReferenceGuides/QRG%20First%20Time%20Logging%20In.pdf>

- Login ID: <Student Number>
- Password: Dist\$2023
- The Login ID will remain as the student's student number.
- You will be asked to create a new password for future logins.
- You will be asked to enter a primary email address that notifications will be sent to should an account reset be required.

Login Issues:

If your account becomes disabled and you cannot retrieve your password by clicking "I forgot my password"

You will receive an email to the address we have on file with a temporary password.

If that does not work, we suggest you do **one** of the following:

- Contact the office for a password reset.
 - Contact your grade administrator for a password reset
- Note: COUNSELLORS CANNOT RESET MYED PASSWORDS.

Please ensure the new password is shared amongst all users (student and caregiver(s))

A reminder that information for the Family Portal can be found on our school website under the "Families" tab, "My Education BC Family Portal" subtab.

The following is the link to the Support Page:
