Gordon**ELEMENTARY SCHOOL****School Year 2026-27****School Fee Schedule****FINANCIAL HARDSHIP**

The Vancouver School District is committed to ensuring that no school-age student will be denied an opportunity to participate in a course, class or program because of an inability to pay fees. Parents and guardians unable to pay some or all school fees are invited to speak to their child's teacher, school counsellor, and/or the school Principal.

[See Administrative Procedure 506: Financial Hardship](#)

\$35.00 SCHOOL SUPPLY FEE

As per the School Act, families are required to provide their child with consumable supplies and equipment for personal use. The Vancouver School District offers the service of purchasing basic school supplies provided in bulk at wholesale prices and passing the cost savings on to families. The School Supply Fee for 2026-2027 is \$35.00 per student. This fee covers basic consumable school supplies used for each student's personal use such as paper, writing tools, glue sticks, erasers, exercise books and art supplies. Supplies are provided for the full year. However, families can choose to purchase their own school supplies independently and opt out of paying this fee. The school will provide a list of required consumable supplies to families who choose this option.

SUPPLEMENTAL SCHOOL FEES

Optional supplemental school fees can be charged for materials and/or activities that are in addition to what is necessary for the student to meet the learning standards of the curriculum. These resources and activities enhance learning experiences and are recommended, but not required. Some supplemental fees may be offset through fundraising events or financial support through the Parent Advisory Council. The items listed below include materials and activities that the school has already identified as supplemental fees for the 2026-2027 school year.

OTHER POTENTIAL SUPPLEMENTAL FEES

Throughout the year, fees may also be charged as needed for field studies, performances, events and activities that are aligned with the curriculum and support unique or enhanced learning experiences beyond the required learning standards. Specific information and the associated fees will be communicated by the classroom teacher prior to these events. These activities and events are recommended, but not required.
