

# David Lloyd George School Newsletter

Feb 3, 2025

Recently we had two days of learning and creating with Ethos Lab, an inclusive, Black-led organization whose programs serve ALL youth. Their focus is on centering the Black experience and promoting the representation of diverse voices in Science, Technology, Engineering, Art and Math (S.T.E.A.M.) fields. After a primary assembly, each intermediate class had a 90-minute workshop over two days. Happy Lunar New Year, Welcome Year of the Snake! Last Friday, our very own Ryle performed an outstanding show with his troop, Hong De Vancouver Chinese Lion & Dragon Dance Team.

### **FREE Parent, Guardian and Caregiver Sessions on Substance Use Prevention,**

The Ministry of Education and Child Care, and adolescent clinical psychologist Dr. Hayley Watson, will host three, free virtual sessions for parents, guardians and caregivers that will focus on practical skills you can teach your child and youth (ages 0-19) to prevent substance use and mental health needs

#### **Key takeaways for participants during this session:**

- Learn the factors that lead to substance use and mental health needs from a trauma-informed lens
- Focus on prevention rather than intervention/response
- Applies to parents, guardians and caregivers of all age groups (youth aged 0-5, 6-10, and 11-18)
- Learn ways that these skills can be applied to yourself and the rest of your family to support the mental health of parents, guardians and caregivers

#### **Participants must register in advance. Session dates are:**

- [February 20, 6:00-7:30 pm PST](#), [February 25, 6:00-7:30 pm PST](#), [February 26, 6:00-7:30 pm PST](#)
