Weekly Newsletter January 10th

We want to welcome back Ms. Becca Chang who returned to her Division 11 classroom after her maternity leave! Another welcome to Ms. Pratiti Joshi who is with us on Monday, Tuesday and alternate Wednesdays as a third supervision aide.

Happy New Year from all of us at Cavell. We are all very fortunate to spend our days with your children.

A reminder that next Wednesday is a Professional Day. There is no school for students that day.

MDI Survey Grade 6 students – The VSB is partnering with UBC again to have students in grade 6 complete the Middle Years Development. Parents / Guardians should have received an email from us with information from UBC/ VSB.

Playground Update – we don't have a date yet for the installation of the playground expansion, but the students were very excited today as two of the benches have been removed and put into storage prior to the work commencing. We are getting closer!

Hamber Secondary – our grade 7 students will begin to learn more about their transition to Grade 8 in the coming weeks. Hamber has invited our grade 7 students to events at the school over the next couple of weeks which are always fun to go to. Some of the Hamber team plus some students will be visiting Cavell on January 20th to talk about the move to high school. This is an exciting time for our senior students.
