Weekly Newsletter May 23rd

Hello families! These are your student principals Elizabeth and Isla. We are currently in Grade 6, and we are 12 years old. We are going to oversee the school for the day. As the day goes on, we will tell you about what we're going to be doing as principals.

We will need to add in Elizabeth and Isla's thoughts next week as they did not transfer to this document except for their opening paragraph! They were a huge help around the school on Thursday, and both said they are not sure they could remember all the things at once that they had to do. Division 3 worked with CanSat and built satellites that were dropped from 40ft in the air between recess and lunch. Aila wrote about her satellite and how it was built. We look forward to reading this next week!

Save the Date:

We would like to welcome all of our parent (and grandparents) helpers from our 2025-2026 school year to an Volunteer Appreciation Event. On **June 12th from 8:30-9:30am** we invite any parent / guardian that has helped in our school this year to come to our library for some light snacks. We appreciate all that our parents do for us in and out of our classrooms. Coming on field trips, helping with PAC events, hot lunches, committees, classroom events, going to grade 7 camp etc. is a huge help to all of us and we want to thank you. We will have outside supervision for students between 8:30 and 9:00am.

Student Information Form

with deep gratitude and respect, we are honoured to be learning and unlearning on the ancestral and unceded lands of the xʷməθkʷəy̓əm (Musqueam), Skwxwú7mesh Úxwumixw (Squamish Nation) & səlilwətał (Tsleil-Waututh Nation).

During late June teachers and staff will begin to look towards the 2025-2026 school year and begin the process of building our classes for the next school year. Our class placement process ensures that thoughtful consideration of each student's social, emotional and academic needs is aligned with the need to create balanced and effective learning environments.

If you feel there is any information that your child's current teacher does not already know about your family and your child there will be a form available in the office until June 11th. *Only these forms will be accepted.* Emails and outside conversations will not be accepted by current teachers or staff.

[City Of Vancouver – Active Travel Action Plan June 9th 7pm](#)

This past fall the Cavell community worked with the City of Vancouver's school active travel team. On Monday, June 9th at 7pm the City will reveal its action plan for safety improvements near Edith Cavell Elementary. They will first present the plan, following which there will be time for discussion. Afterward, we'll share a copy of the action plan with the school. Please see the Microsoft Teams invite below. You will also get this information from the PAC.
