What is FIT time?

F.I.T (Flexible Instruction Time)

- **Monday & Wednesday (am) and Tuesday & Thursday (pm) for 40 minutes.**
- Students can go to any open classroom where staff will provide supervised study sessions.
- Students can go to any class, providing the teachers room has space. If the door to a classroom is shut, that room is not available for FIT or the room has reached capacity and is full.
- Students are expected to work quietly in small groups or independently doing tasks such as homework, reading, capstone/MYP Projects, groups projects etc.
- Students can also go to rooms where there is a specific teacher, who may be able to help them with specific work or tasks.
- Students will be able to use their personal technology, as long as they have headphones/earphones attached and that they are using it for educational purposes. It will be essential that students do not disrupt the learning environments for others.
- Some students will be able to access the RISE room, if they have a RISE block and need additional supports.
- *the school administration will also host grade wide assemblies and other information sessions throughout the year.*
- *Students will not be permitted to sit in groups in the hallways.*
