Call for new PAC Members-at-Large

If you would like to join PAC for school year 2023/2024, please let us know. Your involvement could be from minimal to as much as you like. It takes a village to raise a child, lets make our village bigger!

Hello King George Parents,

Another school year is almost over. This year was challenging and the same time very fulfilling for our new PAC. So many new connections made and funds raised. Last pub social fundraiser was a tremendous success. Due to a huge interest, we are looking forward to holding this event every few months throughout the school year to celebrate each of You - our hard-working parents. Without your support we couldn't do it! Thank you for all your effort and hopefully see you at our last PAC meeting this Thursday.
