The above mentioned course(s) is/are not being taken at Point Grey, and students will not receive any instruction or assistance in these courses at Point Grey. Students must register themselves. As an International student, this course is being taken only because it is not offered at Point Grey, or because it is being retaken in order to upgrade a previous mark.

12	7 PG courses on timetable (8 <sup>th</sup> course online to be paid by student)

**Please also note the following:**

- On-line course marks may or may not be noted on the Report Card. Our school does not monitor the progress of these courses. Due to the independent and self-paced nature of these courses, students themselves need to ensure they complete a course when expected and that the course credit is noted on student transcripts.
- Especially in the Gr. 12 year, issues may arise when courses required for graduation or for post-secondary admission are not completed in a timely manner. These institutions may impose specific deadlines for progress or completion of on-line courses.

By signing below, I give permission for the course(s) listed above to be taken through an online school.
