The DLG PAC invites you to join the DLG
Parents WhatsApp Community...

In an effort to improve school wide communication, the DLG PAC will try out a WhatsApp Community in May and June 2026.

The plan is to stick with Announcements in this school year, and expand to chat groups next September. We'd love to have at least one rep/chat administrator for each grade, if not each class.

- Teachers and school administration are invited to share information (pac.dlg@gmail.com) that they would like us to include in Announcements.
- Our Community Admin is a WhatsApp Admin novice, but very keen on helping facilitate better communication at DLG. Please be patient as we ramp up!
