VSB OFFERS 'LUNCHSMART'
A HEALTHY EATING PROGRAM 2025/26

The Vancouver School Board believes that school food programs support the consumption of nutritious foods helping children to learn, while promoting health equity, and establishing lifelong healthy eating behaviors.

The Lunchsmart program provides nutritious hot lunches daily in school. All meals are prepared following the BC School Food Tool Kit
<https://healthyschoolsbc.ca/bc-school-food-toolkit/>

The Lunchsmart program cannot accommodate special diets. Any specific food allergies need to be reported to the school office. Parents must review menu choices specific to their child's dietary restrictions and ensure their child is aware of any food items they should not be eating.

MONTHLY
PROGRAM COST: **\$118.80**

I can contribute this month.
