S.T.E.A.M Explorers

GENERAL GORDON ELEMENTARY AFTERSCHOOL

General Overview of Afterschool Program:

S.T.E.A.M Explorers

S.T.E.A.M Explorers is an afterschool program for curious kids aged 5 to 10, combining hands-on science, technology, engineering, art & math activities. Each week, children explore new concepts through fun, creative projects that build critical thinking, collaboration, and confidence - all led by experienced educators with top notch materials.
