

- 1) Did you know there's another pink day? On April 8th, the International Day of Pink, people around the world wear pink to oppose bullying, inspired by the same incident in Canada that started Canadian Pink Shirt Day. International Day of Pink urges the world to wear pink and stand in solidarity with the 2SLGBTQIA+ community. We wear our pink shirts to continue the fight for equality, acceptance, and a world without bullying.

This year, Gordon is welcoming the guest author Robin Stevenson in honor of International Day of Pink! That's next Wednesday! Let's break out all our pink gear again on Wednesday to give her a big Gordon welcome, and to show our support of the anti-bullying movement and the 2SLGBTQIA+ community!

- 2) Will your child be sick or late for school? Just a reminder to call our safe arrival line 604-713-5403 x 1 and use code 99. Alternatively, you can also email gg-safearrival@vsb.bc.ca to let us know. Please remember to call even if you have already let the teachers know. Often they are too busy to pass this onto the office, or sometimes they are away and the messages are not passed on.
- 3) Pedalheads soccer is coming back to Gordon. Please see the link below and the information on the next sheet to sign up.

Pedalheads Soccer is excited to bring the incredibly popular, age- appropriate and non-competitive child development program back to the campus of **Gordon Elementary**

Our professional coaches will work through our unique curriculum with your soccer stars allowing them to develop their deceptive dribbling and learn some of the world's most famous soccer skills. We will encourage every player to become comfortable on the ball and to be a brave, creative, leader on the field. We will use themed drills and fun games to capture their imagination and make soccer their favorite weekly activity.
