

From the School:

Reminder to Families:

1) **Valuables** - We kindly ask that students do not bring large amounts of money or valuable items to school. The school is not responsible for lost, stolen, or damaged personal belongings, and we want to avoid situations where students become upset if something goes missing or is broken.

2) **Parking** and drop off students continue to be an issue around the school. A reminder that 7th Ave (the dead end street) behind the school is NOT a drop-off or pick-up location for students. There have been many near misses with students running through traffic, cars driving quickly etc. Unfortunately, the neighbours have been complaining and have threatened to call the police and the bylaw officers, and we don't want you to get a ticket! Please drop off on Baywater Street instead in the 3 minutes zones. Remember if you need more time to walk your students into the school, please find alternative parking away from these zones.

3) **Holiday Concert** – Save the date. Dec. 17, 2025. More information forthcoming.
