Principal's Message

Greetings Magee students and parents! As the beginning of the school year arrives you will find several important information items enclosed with this letter to help set up a successful school year. We hope that summer break provided time for you to relax, and time to chart a course for the upcoming year. All of us at Magee Secondary look forward to sharing with you the numerous learning possibilities and successes to be experienced over the course of this coming school year, be it academically, athletically, artistically, and socially!

Yours truly,
Raza Mirani, Principal

Making Your Start Successful

There are a number of things you can do to make your start successful.

1. Please read over this August newsletter and refer to our Magee website for information on school opening policies and procedures.
2. Pay attention to the information that will be given to you in **homeroom** the first week of school. After that week you will be expected to be familiar with the procedures and rules contained in the agenda book.
3. Use your **agenda** to help you plan and organize (agenda will be available after school fees have been paid). It is an invaluable tool!
4. Remember you don't have a second chance to make a first impression. Make that first impression a positive one. Ask, if you need help. Staff at Magee are caring and will help you if you need it.

School Growth Plan

Our school's overall **growth plan** continues to emphasize student engagement, initiative and leadership within a culture of care and support. Our school goals are:

1. Improve student achievement in literacy, numeracy, mental well-being and belonging
2. To increase knowledge, acceptance, empathy, awareness and appreciation of Aboriginal histories, traditions, cultures and contributions among all students.

School Opening Schedule

The 2026–2027 school year starts on Tuesday, September 8th with a homeroom period (**homeroom room locations are posted in the atrium.** **NOTE – homeroom assignments can change from year to year!**

Grade 9-12 students: 10:00 – 10:30am. All students please check homeroom assignments posted in the center of the atrium.

All Grade 8 students will report to the AUDITORIUM by 11:00 am. They will be met by administrators, counsellors, and the **grade eight homeroom teachers** who will take them to their homeroom. Grade 8's will learn how to navigate their new school environment from their homeroom teachers and support staff. Locker assignments will be provided along with a copy of their student schedule.

Homeroom Period for ALL STUDENTS in Grades 8, 9, 10, 11, and 12

- **Wednesday**, September 9th from 8:40 am – 8:55 am; Semester one schedule, period one starts at 9:00. Day ends at 3:00 pm.
- **Thursday**, September 10th from 8:40 am – 8:55 am; Semester one schedule; period one starts at 9:00. Day ends at 3:00 pm.
- **Friday**, September 11th from 8:40 am – 8:55 am; Semester one schedule; period one starts at 9:00. Day ends at 3:00 pm.

During mandatory homeroom periods teachers take students through important school procedures, routines, and policies. The framework that guides decision-making for all Magee students, staff, and greater community is our school's **Student Code of Conduct** which is reviewed during our homeroom periods.

During the first week of school, students will meet their teachers and new classmates for the year, and classroom-learning goals will be established along with important homework expectations.

Should you have any questions for your child's teacher, or grade counsellor, please contact them directly. We encourage you to take time during this important first week of school to review with your child a program of strong work habits at school and home that will set him or her up to maximize their educational opportunities.

Further information about the start of the school year may be found on our **school's website**, <http://go.vsb.bc.ca/schools/magee>. Information about important dates on this year's school calendar are also posted on the school website. Your child's Magee **Student Agenda**, which will be distributed during the homeroom periods, also contains useful information including the Magee Student Code of Conduct and school routines, policies, and procedures.

Attendance

As you know, prompt, regular **attendance** to class is an essential ingredient for your child's success at school. We encourage families to continue scheduling any important medical appointments, etc., outside of class time.

Attendance is taken in each class and recorded. Parents/guardians of students who are absent due to illness are asked to send an email to magee@vsb.bc.ca excusing their child's absence. Please send the email to your teacher as well.

Make sure to add the following:

Student's full name / Student number / Date(s) and classes you were absent for / Reason for Absence

School Calendar

Magee's School Calendar may be found on our website at <https://www.vsb.bc.ca/schools/magee/>

The VSB is continuing a Flexible Instructional Time (FIT) schedule this school year. FIT is a period of instructional time built into a school's schedule that gives students the opportunity to have choice in their learning time. Examples of some ways to use FIT time include:

- meeting with teachers for support in subject learning or completing assignments
- attending tutorial sessions
- connecting with counsellors
- collaborating with other students on projects
- individual time to study or enrichment passion projects
- completing Career Life Connections 12 and Capstone requirements
- Work Experience 11 and 12.

Ultimately, FIT time encourages our students to take ownership of their own learning and gives them the opportunity to develop core competencies such as personal responsibility, self-regulation, goal setting, wellbeing and communication.

The FIT period is on Tuesdays, Wednesdays, Thursdays and Fridays. Our daily schedule, adjusted for FIT time and standardized across the district is available on page 6.

You will notice that the school day starts slightly earlier and ends slightly later than in the past. This allows the introduction of monthly collaboration time for admin and teachers to meet and collaborate on unit and school planning, and examine emerging best practices and growth opportunities in teaching. Collaboration dates and times are also noted on the schedule on page 6.

School Fees

A list of school and supplemental fees may be found on the school website. We continue to use **School Cash Online** to facilitate payment of school fees (The published fee reflects the total cost of providing the item or activity, including administrative and payment processing costs. No additional transaction fees will be charged at the time of payment.). We look forward to continuing to use this system and we appreciate your help in significantly reducing the amount of paper our school consumes. Please register by visiting the [VSB's School Cash Online website](#). Your child's first name, last name and birth date are required for registration. Once registered, an email notification is sent when items become available for purchase online. For support, technical help or additional information, please contact the School Cash Online parent/guardian help desk by visiting helpdesk.supportschoolcashonline.com or on 1-866-961-1803.

Further information on school and supplemental fees and the online payment of those fees is also available on the school website. School Cash Online will be available for parent registration as of September 14th. School and supplemental fees will be collected through School Cash Online starting the second week of classes and not during the homeroom periods as in the past. Parents wishing to pay fees by cheque may do so in the office.

Parents, please make a note of the district's **Financial Hardship Policy** which recognizes that some families may not be able to fully afford school fees. Board policy is that no student of school age will be denied an opportunity to participate in a required course, class or program because of financial hardship. Parents/guardians unable to pay some or all of a school fee are invited to speak to their child's teacher, school counsellor, and/or administrator (Financial hardship application forms are available through the school office). All financial hardship applications and discussions shall be confidential. Ways in which difficulties in meeting requests for payment of school fees may be addressed include: partial payment, waiver of the fee, payment by instalment, and/or fundraising activities to reduce overall costs.

Communication

Communication of school news and events is done primarily through email with our 'Magee News' ebulletin. A '**Student Information Verification Form**' will be distributed during the Tuesday, September 8th homeroom period. Please verify this form and make any changes/updates directly onto the form. Please also ensure there is a Parent/Guardian email address listed on the form. The form is to be returned by students at the Thursday, September 10th homeroom or to the office in the first week of classes.

School Photos

School Photos will be taken on **Tuesday, September 22nd**. Identification cards are included in your School Fees. All students **must** be photographed for a Go Card. Go Cards must be shown as I.D. for BC Transit.

Grad Photos are taken by Artona Studios from **September 9-12, 2026**.

Please go to <https://artona.com/schools/MAGEE/programs/graduation> to book appointments for Magee Secondary School Grad photos... booking is essential and helps Artona with planning and scheduling!

Physical and Health Education

Physical and Health Education Safety: Footwear & Valuables

As we begin the school year, please remind students to come prepared for PHE with appropriate athletic shoes. Appropriate footwear provides the support and traction needed to help prevent injuries. Students should avoid wearing sandals, boots, slides, or other footwear that is not designed for physical activity.

Students are also reminded to have a separate lock for PHE and use it to secure their belongings in their lockers or change rooms. Valuables should never be left unattended or unsecured.

Thank you for helping us reinforce these simple routines and supporting students in making safe and responsible choices in Physical and Health Education.

Counselling Department

Grade 8 Students: A big welcome to Magee! We hope that your first year in high school goes smoothly. Your Counsellors and your teachers are here to assist you any way they can, so do not be shy if you need assistance.

Course Schedules: Please check your course schedules when you receive them in your homeroom (printed for gr.8's only). Grade 9-12 schedules are accessible on MyED after September 4th. If you find any errors or omissions then please make an appointment with your grade Counsellor.

Appointment sign-up sheets will be available **Tuesday, September 8 to Friday, September 11** outside the counselling suite.

FOR WEDNESDAY ONLY sign up for an appointment:

- If you have an incomplete timetable
- If you have a missing graduation requirement
- If you completed a summer school course and it is currently on your schedule

You will be required to provide your timetable to show your counsellor.

ON THURSDAY AND FRIDAY you will be able to sign up for an appointment if you have any timetable conflict.

September 14-18 you can sign up for appointment to request timetable changes. There are, however, very limited remaining seats in classes. Many course change requests may not be able to be accommodated.
