

Dear Parent or Guardian:

This year, your child in **Kindergarten** will have a **Hearing Check** at school by VCH public health staff. We want to make sure all children can hear well because it helps them learn better.

They will check your child's hearing at Lord Selkirk Elementary on

November 25th, 2025 at 09:00am

The check-up is easy and fun, kind of like a game where your child listens to sounds through headphones. Eardrum movement may be checked if needed. You can talk to your child about this, so they know it is something fun.

After the hearing check, your child will bring the results home in an envelope. The letter will have information about the results and if your child needs more testing.

If your child does not pass the hearing check, we will let the principal at the school know. This is so the Principal will know that your child may need extra help because of his/her hearing.

If you do not want your child's hearing checked or the principal to know the results, please call us at 604-659-1100 ext 2 before the date above. If you do not call us, we will go ahead with checking your child's hearing.

Your child's hearing results will be kept in their health record at the Vancouver Community Audiology Centre. This information supports your child's referral and follow up and helps us improve our work. We keep this information private and only use or share it according to the British Columbia Freedom of Information and Protection of Privacy Act.

If you have any questions, please call us at 604-659-1100 ext 2. Thank you.
