

DID YOU KNOW? School food programs can enhance the consumption of nutritious foods, promote health equity, and help establish lifelong healthy eating behaviors.

VSBC offers a variety of Nutritional Support Programs.

Students have daily access to a **Before School Breakfast Program** and lunch program “**LunchSmart**” through the school cafeteria.

In addition, with the introduction of the National School Food Program, we have launched a pilot **Snack Program** to further support student nutrition throughout the school day. We are committed to ensuring that all students have equitable access to healthy, nutritious meals at school.

LunchSmart

Families may participate in **LunchSmart** by enrolling into the program. Families can pay the full monthly cost or for any family requiring support, a limited government subsidy is available and will help cover the cost of nutrition services. Students enrolled are eligible to receive breakfast and may use their **LunchSmart** card for a lunch valued at \$9.50.

To register for the LunchSmart program, please complete this enrolment form and submit it to your School Principal or Vice-Principal.

LunchSmart Monthly Cost 2026/2027

SEP		OCT		NOV		DEC		JAN	
FEB		MAR		APR		MAY		JUN
