Re: Student Drop-Off and Pick-up Zones

Good afternoon,

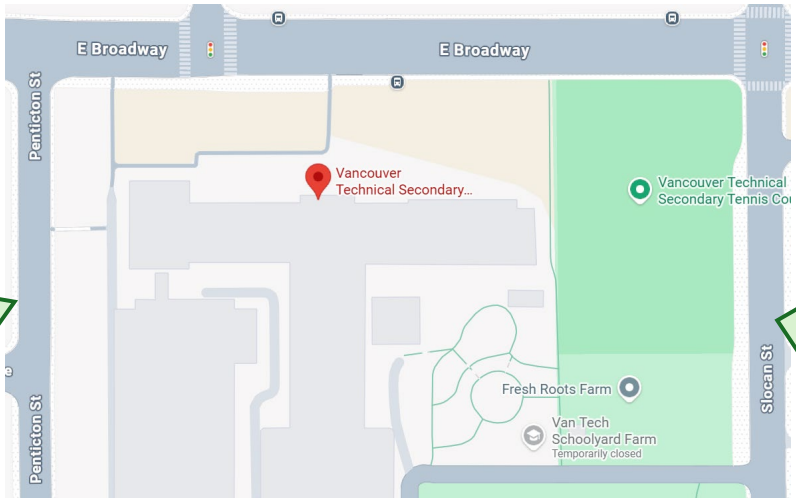

A reminder to families about the student Drop-off and Pick-up Zones surrounding our school building.

Student safety and well-being are important priorities. Please review this letter which identifies the appropriate and safe locations for student drop-off and pick-up.

If you drop-off or pick-up your child from school, please use the routes indicated below. In addition, please obey traffic signage and traffic rules to help support safety and to ease traffic flow.

"3 minute Drop-off/Pick-up zone" is located on east side of Penticton Street in the 2500 Block

U-turns and stopping on the roadway are not permitted in this area

"Drop-off/Pick-up Zone" is located on both sides of Slocan Street in the 2500 Block

This is the preferred zone for ease of traffic flow

U-turns and stopping on the roadway are not permitted in this area

Students are also encouraged to use other forms of transportation, as able. We have several bicycle racks on-site to store and secure bicycles. There are also several bus stops conveniently located on E Broadway.

If you have any questions or concerns, please reach out to a member of the Administration Team.

Thank you for your cooperation,

The Van Tech Administration Team
