Safe Arrival and Reporting Student Absences

To report your child's absence, please call **604-713-5159, Ext. 39**, prior to 9:00 am on the first day of the absence. If your child arrives late to school, they should report to the office and sign in. Student number is not required.

Data and Image Consent for School Yearbook

The Vancouver School Board (VSB) and its schools are authorized to collect, use, and disclose student personal information in accordance with the *Freedom of Information and Protection of Privacy Act* ("FIPPA"). At the start of the school year, your child's photo was collected for operational purposes such as attendance or ID verification in accordance with section 26(c) of FIPPA.

As part of its commitment to protecting student privacy, the VSB is providing notice to you regarding the collection, use and disclosure of your child's personal information and image(s) for the purpose of creating a school-specific publication of the school year (a yearbook) and, if applicable, featuring their school photo, class composite photo, and other images (ex. Sports teams or clubs), in accordance with sections 32(a) and 33(1), respectively.

If you do not wish for your child's personal information or photographs to be included in the yearbook, please email the school Principal (vpeeters@vsb.bc.ca³) by February 27, 2026.

Production of this year's yearbook will be coordinated by the school PAC. If you do not wish for your child's image and personal information to be included, that will be shared with the PAC.

Unless withdrawn, this consent is effective immediately from the day of receipt and lasts until June 30th of the current school year.

For inquiries about FIPPA, please contact privacy@vsb.bc.ca⁴.

Ministry of Education and Child Care 2026 Student Learning Survey - Parent Survey Information

The Provincial Student Learning Survey is unique in its scope, size and usefulness to schools. It gathers information from parents/guardians/caregivers, teachers, and students on topics related to school environment, safety, and achievement. The information is used for planning in individual schools and provides a district and provincial perspective.

Early in **2026** the Student Learning Survey will be administered to students in grades 4 and 7, their parents/guardians/caregivers, and all school staff. We encourage parents/guardians/caregivers to participate in this survey, as the results are important in identifying and celebrating current strengths, as well as determining where the school needs to focus improvement. The surveys contain standard questions for the Province – in addition, questions from the school and/or district that focus on local conditions or issues may be included.

The survey can be completed electronically and can be accessed on the Internet at <https://www2.gov.bc.ca/gov/content/education-training/k-12/support/student-learning-survey>. Any computer or mobile device with an Internet connection can be used, and access to the e-survey is simple and secure. The survey can be accessed through the link and by clicking on Take the Survey. On the login page, click on the Parents icon, and then select the school district and school name where your child attends school. Provincial, District and School Reports for previous years can be viewed at the same site under the *Results* section.

The e-survey site will be open until May 1, 2026.

If you have any questions, please contact the school.

Parking Lot Entrance - Friendly Reminder

A friendly reminder that our school shares the parking lot with the Lord Byng Pool staff. During drop-off and pick-up times, please be mindful not to block the entrance so everyone can come and go safely.

We would also like to remind everyone that some pool patrons — including seniors and individuals with mobility needs — are occasionally dropped off right at the entrance by HandyDart or other drivers. Keeping the entrance clear allows them to pull up safely and be dropped off comfortably.

Please remember, the parking lot at Jules Quesnel Elementary School is for the exclusive use of the school from 7:00 AM to 4:00 PM on school days.

Public pay parking in the JQ lot is available on school days from 4:00 PM until 7:00 AM, and 24 hours a day on non-school days.

No student pick-up or drop-off is permitted in the lot.

Unauthorized vehicles will be ticketed and towed at the owner's expense.

Students, staff and families are encouraged to use active, environmentally responsible modes of transportation to get to and from school.

Thank you for your cooperation.

Will you be returning to JQ in September 2026?

Planning for the 2026–27 school year is already underway, and the District has asked us to track student numbers for September.

If you already know that your child will be leaving JQ next year, please notify us as soon as possible. If you are undecided at this time, we kindly ask that you let us know once your plans are finalized.

Thank you for helping us with this important planning process.

Please send cutlery with your child's lunch

Please remember to include cutlery in your child's lunch, even on hot lunch days. To reduce waste and support our sustainability efforts, disposable forks and spoons are no longer being provided. We appreciate your help in making this a greener choice for our school community—thank you!
