Wearing pink is not only a symbol of anti-bullying and inclusivity but also reminds us to support others and engage in acts of kindness.

Vancouver District Science Fair

- The fair is being held on the 28th at Langara College. The public viewing is from 4:50pm-6:10pm. There will be one project from Britannia competing there, come and check it out!

Respiratory Illness Season

- Flu activity often begins to increase in October and tends to peak between December and February, although significant activity can last until May.
- Please stay home if you are feeling unwell and resume your regular activities when you feel you can manage them. If you have a fever, you should stay home until it is gone without medication.
- Remember to: Eat well, sleep well, and exercise. Wash or sanitize your hands frequently. Avoid sharing food, drinks, and other items that touch the mouth. Masks are permitted and a personal choice. Respect the personal space of others. Cover coughs and sneezes.
