

DID YOU KNOW VSB OFFERS 'LUNCHSMART' A HEALTHY EATING PROGRAM 2025/26

Lunch smart is available to support families who require help with nutrition services at school. Lunch is provided daily at the school cafeteria. Families may purchase a Lunch smart card and pay the full amount each month or a limited government subsidy is available for students who require help with nutrition services at school. To register for the program and/or apply for a subsidy please consult your school Principal or Vice-Principal to complete this enrollment form.

Our school food programs can enhance the consumption of nutritious foods, promote health equity, and help establish lifelong healthy eating behaviours.

Lunchsmart digital meal cards are valid for one transaction per day at a cost of **\$9.25**.
